浙江杰雅电气科技有限公司
ZHEJIANG JEYA ELECTRICAL TECHNOLOGY CO., LTD

Company Profile 企业简介

▶ Zhejiang JEYA Electrical Technology Co., Ltd. established in August 2015, located in southeast coastal of Zhejiang province, lies in the middle of the golden coastline of China----Yuhuan Economic Development Zone. Covering an area of 10000m², capable of producing 10 million S.S gas connectors, 6 million rubber-plastic flame retardant hoses and 6 million gas appliance accessories annually. JEYA is a research, manufacturing and trading as one shareholding system company. With obtained CSA, AGA, CE etc certifications, gained the reputation from customers.

Our company owns a knowledgeable, professional management, technology, research and manufacture team; adopting CAD, ERP etc computer auxiliary system, we design, research and manage the products; equipped with a set of advanced, specialized, automated production lines, process equipments and inspection facilities for various metal corrugated connectors and accessories; JEYA obtained the ISO9001-2008 system, with strict and effective operation, ensuring the high quality products and good service for customers.

JEYA Brand series of products, focus on personnel, innovation, marketability and high-tech, uphold the belief "Be trust and customer-oriented." Facing the international market, focusing the domestic market, creating the enterprise core competence, while enriching the JEYA brand content. And provide the secure, fashionable, concise, high quality and high cost-effective products for life, for world. JEYA brand is willing to keep pace with the times, create a win-win future with you!

企业创立于2015年8月，座落在浙江东南沿海，中国黄金海岸线中部的滨海城市---玉环经济开发区。占地面积10000平方米，随着企业的建立、健全、全球化的战略布局，具有年产不锈钢波纹燃气管1000万条、橡塑阻燃管800万条、燃气器具配件600万套的加工生产能力。是一家以集研发、生产、贸易为一体的股份制有限责任公司。产品取得了CSA、AGA、CE等相关认证，深博客户好评。

公司拥有一批高水平、知识化、专业化的管理、技术、制造团队；采用CAD、ERP等一系列软件辅助系统，进行产品的设计研发和管理；具有行业先进的、专业化的、自动化的各种金属波纹管、及其配件产品生产线、工艺装备、检测试验设备；公司通过了ISO9001-2008质量管理体系审核验收，并严格、有效的运行，确保为用户提供优质的产品、优良的服务。

"JEYA" 品牌系列产品，以 "人才--创新，适销--高科" 为诉求，秉承 "以诚待人、客户至上" 的企业理念，面向国际、立足国内，打造企业核心竞争力的同时，丰富"JEYA"品牌内涵。为生活、为客户提供绿色、时尚、简约、安全、可靠高性价比的产品和服务。"JEYA" 品牌，愿与您携手世界与国内、与时俱进，共创双赢。

不锈钢燃气管 Stainless Steel Gas Hose

产品特点 Features:

产品特点：燃气输送用不锈钢波纹管，外层标识明确，采用包覆阻燃套、黄色环氧树脂涂层等加工，外表美观，任意切割，快速链接，安装方便，用于明装、埋墙等多种连接，使用寿命长，为现代地暖、整体厨卫理想的燃气产品。采用特殊工艺加工而成。具有耐压、阻燃、安全警示直观等特点，确保每条软管使用安全。

S.S gas connector is used for transporting gas, with the clear outer marking, adopt the flame retardant PVC coated or yellow epoxy coating, specious surface, arbitrary cutting, quick connection, easy installation. Connect to connectors which are exposed or concealed, long service life, it's your ideal choice for modern floor heater, overall kitchen and bathroom. Processed by special technique. High pressure tolerance, inflaming retarding, to insure safety.

产品用途 Application:

天然气、人工煤气、石油液化气、沼气等。
Natural gas, artificial gas, liquefied petroleum gas, marsh gas.
